Want to make sure you're on top of your game even though you're just starting to play? The Litigation Section can help you be at your best through the section's resources, including

CLEs. CLE offerings taught by judges and some of the best practitioners in the bar. Members receive discounted admission to quarterly lunches and "Rise and Shine" CLEs and the section provides special break out sessions at the Bar's conventions and Fall Forum. Our Trial Academy provides the opportunity to have individualized feedback on crucial litigation skills. Attending just one of these events often pays for the entire year's membership.

Judicial Receptions and Networking. Meet the judiciary outside the courtroom and rub shoulders with excellent practitioners to build your personal network. Head out to the putting green during our Golf and CLE events.

Publications and Practice Resources. Read our bench books with the inside information about the judges deciding your cases. Review our Zealous Advocate for information on important events and matters affecting your practice. Access appellate court rulings, rule change alerts, document banks, and other resources on our website.

Other Benefits. Pro-bono opportunities, Bar service, events at local law schools, Moab trips, yoga and running groups, and other benefits come with being a member.
