

## **Introductory Paragraph**

Professor Jerry A. Gardner, Ph.D.

I would like to introduce Professor Jerry Gardner from the University of Utah's Department of Theatre where he teaches movement, dance, and eastern theatre to students in the Actor Training Program. He will be sharing his expertise with us today in the areas of presentation and communication skills and how to utilize the acting process in our professional lives. To quote Shakespeare—"All the world's a stage, and all the men and women merely players." If that is the case, then let's do it well!
